Program Name:

Early Childhood Council:

Program License Number:

QI Navigator:

Level 1

Overview: If you are a licensed program in Colorado and do not qualify as an Alternative Pathway Program (See Section 3.5) or currently have a Qualistar rating (see Section 3.4), you will enter Colorado Shines as a Level 1 program.

Entering Colorado Shines will not affect the license status of currently licensed programs. However, if your program experiences a major change, additional interactions with your licensing specialist, including the potential for additional monitoring visits or calls for further evidence, may result. Major changes include:

- serious licensing violation;
- change in ownership;
- change in director;
- change in/or additional location

Level 1	Steps	Date Completed	Notes

Level 2

Overview: Licensed child care programs may wish to pursue a Level 2 rating because only programs with a Level 2 rating or above may access federal and state grants (see section 2.2 of this guide for more information). Programs earn a Level 2 rating by satisfying all the following requirements with the Level 2 block:

- Hold Colorado state child care license in good standing
- Complete a program application to participate in Colorado Shines
- Ensure all staff have registered in the Colorado Shines PDIS
- Ensure that program leadership and 75% of staff complete Colorado Shines QRIS Level 2 Trainings
- Complete a program self-assessment and meet the Quality Indicators defined for Level 2
- Prepare a Quality Improvement Plan (QIP)
- Receive an assessment review and/or site visit from a state Licensing Specialist

The actions you need to take to meet these requirements are detailed in the next section.

5.	<p>Prepare for Level 2 Site Visit from State Licensing Specialist.</p> <p><i>*State Licensing will verify information submitted.</i></p>		

Level 3-5

Overview: The assignment of ratings for Levels 3-5 are based on a point system; points are awarded based on demonstration by programs that they meet identified indicators of program quality. Levels 3, 4 and 5 rating are determined by points. The point system is designed to be flexible and allow programs to develop and demonstrate quality in multiple ways. Each of Levels 3-5 requires programs to achieve a minimum number of total points as well as a minimum number of points in each of five categories that research has shown are related to program quality:

- Workforce and Professional Development
- Family Partnerships
- Leadership, Management and Administration
- Learning Environment
- Child Health
